

## FIELD CHAMPIONSHIPS 2018 RESULT SHEET

We must give our sincere thanks to the Company of Sixty for letting us use their ground and being as accommodating as they were. Thanks also to the team leaders, as they are members of that Club, and who have enabled so many of our members to take part. Unfortunately, on a couple of occasions, one archer was found to be in breach of the rules of shooting and, as a consequence, has been deducted two scores. This has not affected the team's standing. The trophies and medals for this shoot will be presented after the Mince Pie Shoot on Saturday, 15<sup>th</sup> December. The results, therefore, are as follows:
